\_\_\_\_\_

**Going Green** To reduce paper, the chapter sends notices of upcoming luncheons and CLE events by e-mail only, but will not display your e-mail address to all recipients or give the e-mail distribution list to other organizations.

### Gaining Federal Court Experience; Helping Others

The MDFL supports a civil *pro bono* program. We invite you to add your name to a roster of lawyers willing to help *pro se* litigants whose pleadings have been screened to ensure that they are not frivolous. Participating lawyers will be called to help as needed but may decline a case at their discretion. Please call Ed Birk, 904-398-0900, for more information. If you can participate, please check here

*\*As in years past, membership fees to the chapter are not deductible as charitable contributions for federal income tax purposes. Local chapter membership does not include membership in the national Federal Bar Association. We do, however, encourage membership and participation in the national organization. For more information, visit [www.fedbar.org](http://www.fedbar.org).*
